*World's Only Recycled Nylon Swimwear Line Will Make Waves at Thread Show*

Los Angeles, CA: **Eco-Panda**, the world's only recycled nylon swimwear line, has announced their participation in the 2009 San Diego Thread Show, December 5<sup>th</sup> & 6<sup>th</sup> 2009. Sharing Thread's mantra, Good Style, Good Value, Good Karma, Eco-Panda is committed to making the world a greener place one swimsuit at a time. Refusing to compromise quality, fit or design, and consistently challenging the public's perception of "green" fashion, Eco-Panda will take center stage offering their coveted swimwear and special gift with purchases during the 2-day event.

Join Miss Malibu, Bianca Peters, as she hosts the Eco-Panda swimwear booth. Eco-Panda will offer steals & deals on their 2009 swimwear line exclusively at Thread Show with prices that simply can't be beat. Shoppers will also get a first look at the 2010 swimwear line which is not yet available for purchase via the brand's online store, [www.eco-panda.com](http://www.eco-panda.com)

About **Eco-Panda**: *Waves of Change...* **Eco-Panda** swimwear is composed of **MIPAN® regen™** recycled nylon, which is created from recycled fishnets. The recycled fishnets are ground into fabric chips, which are then liquefied, creating fiber, which in turn is spun into fabric. By utilizing recycled nylon, *greenhouse gas emissions are reduced by 28%* and the *consumption of our natural resources is reduced by 27%*. This process also reduces the lack of available landfill space. **Eco-Panda** is committed to providing fashion-forward swimwear with uncompromising quality. Blending global trends with recycled resources and unsurpassed fit, **Eco-Panda** swimwear is more than this season's trend, it's a fashion essential. Welcome to the future of style.....**Eco-Panda**.
